Only 52 of 673 candidates are women

Staff Reporter

BHUBANESWAR: At a time when political parties make tall claims on their commitment to Women Reservation Bill, their seriousness hardly gets reflected while they field women candidates in the electoral battle. Women candidates constitute a paltry 7.72 per cent of total candidates in the fray for first phase of election in Odisha scheduled to be held on April 10.

As many as 14 different political parties have fielded 52 women candidates out of 673 candidates for assembly seats. In the first phase election, there will be polling for 77 assembly constituencies and 11 parliamentary seats.

What is baffling is the approach of national parties - Congress and BJP. Congress has fielded its lone woman candidate, Indumati Nayak from Daspalla assembly seat in Nayagarh district. BJP chose Radharani Panda for Brajarajnagar and Kumudini Patnaik from Polsara.

Only ruling BJD has touched double digit mark as far as number of women candidates fielded by parties are concerned. Of the 11 women candidates, four hail from erstwhile royal families suggesting that general women cadres in the party have not really made their way through the ranks.

Communist parties, CPI and CPI (M), have fielded one woman each in the first phase election. Bahujan Samaj Party, which is yet to taste electoral success in the State, selected five women candidates while Aam Aadmi Party chose four women.

About ADR & NEW

Association for Democratic Reforms (ADR) was established in 1999 by group of professors from Indian Institute of Management (IIM) Ahmedabad. In 1999, a Public Interest Litigation (PIL) was filed by them with Delhi High Court asking the disclosure of criminal, financial and educational background of the candidates contesting elections. Based on this, the Supreme Court in 2002 and subsequently in 2003, made it mandatory for all candidates contesting elections to disclose Criminal, Financial and educational background prior to the polls by filing an affidavit with Election Commission.

The first election watch was conducted by ADR in 2002 for Gujrat Assembly Elections whereby detailed analysis of the backgrounds of candidates contesting elections was provided to the electorate in order to help the electorate make an informed choice during polls. Since then ADR has conducted Election Watches for almost all state and parliament elections in collaboration with the National Election Watch. It conducts multiple projects aimed at increasing transparency and accountability in the political and electoral system of the country.
