Recommendations by ADR

- The Supreme Court gave a judgment on September 13, 2013 declaring that no part of a candidate's affidavit should be left blank. Similarly, **no part of the Form 24A submitted by political parties providing details of donations above Rs 20,000 should be blank.**
- Full details of all **donors should be made available for public scrutiny under the RTI.** Some countries where this is done include Bhutan, Nepal, Germany, France, Italy, Brazil, Bulgaria, the US and Japan. In none of these countries is it possible for 75% of the source of funds to be unknown, but at present it is so in India.
- Details of donors who make **donations to the Electoral Trusts should be available in the public domain** for increasing transparency in funding of political parties
- According to the Finance Bill introduced in 2009, 95% of the income of Electoral Trusts should be donated to political parties. Details of **donations made by the electoral trusts to political parties has to be verified against the Income Tax Returns** submitted by the electoral trusts so as to determine whether 95% of the Trusts' income has been donated
- Political parties are not permitted to **accept contributions from foreign companies or companies controlled in India by foreign companies** but a total of Rs 29.26 crores was accepted by INC and BJP together between FY 2003-04 and 2011-12. ADR has filed a petition in the Delhi High Court to take action against the two largest national parties, INC and BJP.
- Any party which does not submit its donation statement to the ECI on or before 31st Oct **should be heavily penalized** and its income should not be tax-exempted. Strict action must also be taken against parties which do not file their IT returns.
- **The National and other political parties must therefore provide all information under the Right to Information Act.** This will only strengthen political parties, elections and democracy.

Major Political Parties of Assam: An All-India Report

Income, Expenditure and Donations between FY 2004-05 and 2011-12

Political parties represent citizens of the country at various levels of the government, voice people's demands and needs in the administrative sphere, and therefore serve as the link between citizens and the government.

Political parties rely heavily on donations for fighting elections and running their daily affairs. They receive huge sums of money in the form of donations and contributions from corporate, trusts and individuals. Section 29C of the Representation of People Act, 1951 says that political parties are required to submit contribution details received in excess of Rs 20,000 from any person or a company. Named contributions seem to be very small i.e. single contributions above Rs 20,000 seem to be very few in numbers for all the parties.

In addition to this, the coupon system has been adopted by political parties for collecting funds by issuing of coupons in lieu of receipts to donors for cash contributions. Moreover, these are cash donations and it becomes all the more difficult to establish the identity of the donor. This implies that a lot of cash donations received remain unaccounted for in the books of accounts as only those amounts would be recorded for which a receipt has been issued.

Thus, it becomes all the more important to have a strict regulatory mechanism wherein political parties have to report the correct quantum and the source of donations received. Association for Democratic Reforms (ADR) had obtained copies of the IT Returns and Assessment Orders of various political parties through the filing of RTI applications.

Table: Top three items of expenditure for regional political parties of Assam from FY 2004-05 to 2011-12

Number of donors contributing above Rs. 20,000 to political parties from Assam

The number of named donors to national parties from Jharkhand (i.e. contributors who made donations above Rs. 20,000 which is to be mandatorily declared) is remarkably low across all parties. The tables below show the number of contributors who have made donations above Rs. 20,000 between FY 2004-05 and 2011-12.

[If a donor has made multiple contributions in any one financial year, each contribution has been individually counted. Hence if a donor has donated twice, the number of contributors would be counted as 2.]
