VIII. Mode of payment of donations to BJP

- A total of **Rs 24.77 crores in cash** was received by BJP from 17 donations during FY 2013-14. ECI notification dated 29th August, '14 stated that “**...no deduction shall be allowed on the contributions made in cash by any person or company to a political party**”. But **this notification will only be applicable for donations made from FY 2014-15 onwards.**
- Of the 17 donations made in cash, only 5 donations had details of PAN of the donor while 12 donations which amounted to **Rs 17 lakhs did not have details of PAN of donors.**
- A total of **656 donations by cheque/ DD** were declared amounting to **Rs 44.69 crores** with **no declared PAN details.**
- Overall, a total of **711 donations were declared** amounting to a total of **Rs 45.58 crores** where the details of **PAN of the donor is undeclared.**

Mode of Payments	Donations with declared PAN	Total donations with declared PAN	Donations without PAN	Total donations without PAN	Total Donations
Cash (17 donations)	5	Rs 0.077 crores	12	Rs 0.17 crores	Rs 0.247 crores
Cheque/ DD (1378 donations)	722	Rs 124.74 crores	656	Rs 44.69 crores	Rs 169.43 crores
Undeclared mode of payments (85 donations)	42	Rs 0.461 crores	43	Rs 0.725 crores	Rs 1.186 crores
Grand Total (1480 donations)	769	Rs 125.28 crores	711	Rs 45.58 crores	Rs 170.86 crores

Recommendations of ADR

- The Supreme Court gave a judgment on September 13, 2013 declaring that no part of a candidate's affidavit should be left blank. Similarly, **no part of the Form 24A submitted by political parties providing details of donations above Rs 20,000 should be blank.**
- There is **ambiguity in cash donations** from 17 donors declared by BJP which amounted to **Rs 24.77 lakhs** in FY 2013-14. **The party has not included any remarks though it is part of the prescribed format of the Election Commission of India.** Thus, there is a need for clarity in large amounts of cash donations by individuals/ business houses.
- A total of **Rs 60.78 crores (36%)** was declared as donations by BJP from donors whose **addresses were not declared.** Such contributions were made through **923 donations** without providing the details of addresses of the donors. Due to lack of complete information about the donors, the **state** from which the donations were made and the **details of their business houses** could **not be verified.** Thus, it should be made **mandatory** to provide **complete information** in the donations report of parties.
- Full details of all **donors should be made available for public scrutiny under the RTI.** Some countries where this is done include Bhutan, Nepal, Germany, France, Italy, Brazil, Bulgaria, the US and Japan. In none of these countries is it possible for 75% of the source of funds to be unknown, but at present it is so in India.
- The National and regional political parties must provide all information on their finances under the Right to Information Act.** This will go a long way to strengthen political parties, elections and democracy.
