

## Analysis of Donations Received by Political Parties in Himachal Pradesh

Political parties rely heavily on donations for fighting elections and running their daily affairs. They receive huge sums of money in the form of donations and contributions from corporate, trusts and individuals.

Section 29C of the Representation of People Act, 1951 says that political parties are required to submit contribution details received in excess of Rs 20,000 from any person or a company. This section has been interpreted by political parties, to include every single donation made above Rs 20,000 by any person at one time. This section however, would also include in it multiple donations made by the same person, entity or company aggregating Rs 20,000 or above during the year.

In addition to this, the coupon system has been adopted by political parties for collecting funds by issuing of coupons in lieu of receipts to donors for cash contributions. Moreover, these are cash donations and it becomes all the more difficult to establish the identity of the donor. This implies that a lot of cash donations received remain unaccounted for in the books of accounts as only those amounts would be recorded for which a receipt has been issued.

Thus it becomes all the more important to have a strict regulatory mechanism wherein political parties have to report the correct quantum and the source of donations received.
