Criminal Background

- **Candidates with Criminal cases:** Out of **6874** candidates analysed, **1694 (25%)** have declared criminal cases against themselves in their affidavits.
- **Candidates with serious criminal cases:** **1262 (18 %)** candidates have declared serious criminal cases against themselves.
- **Candidates with declared cases related to murder:** **44** candidates have declared cases related to **murder (IPC Section-302)** against themselves.
- **Candidates with declared cases related to attempt to murder:** **209** candidates have declared cases related to **Attempt to murder (IPC Section-307)** against themselves.
- **Candidates with declared cases related to crime against women:** **107** candidates have declared cases related to crime against women. Out of **107** candidates **16** candidates have declared cases related to rape (**IPC Section-376, 376D & 376(2) (n)**).
- The **directions** of the **Supreme Court** have had **no effect on the political parties in selection of candidates** in the **5 States Assembly Elections 2022** as they have again followed their old practice of **giving tickets to candidates with criminal cases**. All major parties contesting in the **5 States assembly** elections 2022 have given tickets to candidates who have declared criminal cases against themselves, as follows:
 - (a) Uttar Pradesh **18 % to 65 %**
 - (b) Uttarakhand **17 % to 33 %**
 - (c) Goa **23 % to 46 %**
 - (d) Manipur **13 % to 29 %**
 - (e) Punjab **11 % to 68 %**

The Supreme Court in its directions dated 13th February, 2020 had **specifically instructed political parties** to give reasons for such **selection** and **why other individuals without criminal antecedents could not be selected as candidates**. As per these mandatory guidelines, the reasons for such selection has to be with reference to **qualifications, achievements and merit of the candidate concerned and not only based on the winnability factor**. During the recent **6 State Assembly elections held in 2020-21**, it was observed that **political parties gave unfounded and baseless** reasons like popularity of the person, does good social work, cases are politically motivated etc. These are **not sound and cogent reasons** for fielding candidates with tainted backgrounds. This data clearly shows that **political parties have no interest in reforming the electoral system** and our democracy will continue to suffer at the hands of lawbreakers who become lawmakers.
