Observations and Recommendations of ADR

Observations

1. **CPI(M), BJP, NPEP** and **INC** submitted their contribution reports after a delay of 29 days, 30 days, 58 days and 58 days, respectively.
2. It is to be noticed that **CPI(M)** has declared **Rs 6.027 cr** but the actual calculated amount is **Rs 6.077 cr** in its donation statement for FY 2022-23.
3. 4 National parties, **BJP, INC, NPEP** and **CPI(M)** had not declared **PAN details of 1128 donations** through which the parties collected a total of **Rs 20.58 cr (2.42%** of the total donations declared by National parties).
4. 5 National Parties (**BJP**- Rs 1.098 cr, **INC**-Rs 92 lakhs, **NPEP**- Rs 35 lakhs, **CPI(M)**- Rs 7.89 lakhs and **AAP**- Rs 1.00 lakh) have declared **Rs 2.457 cr from 93 donations having missing/incorrect PAN details.**
5. **INC** declared 376 donations of Rs 58.122 cr, **BJP** collected 2761 donations worth **Rs 36.491 cr**, **AAP** collected 912 donations of Rs 22.188 cr, **CPI(M)** collected 158 donations of Rs 3.05 cr and **NPEP** collected 4 donations of Rs **87 lakhs** having **incomplete cheque/DD details** where cheque number, bank details on which it was drawn and the date on which the cheque was received/ encashed is not provided. Thus, without the complete cheque/DD details, it would be a time-consuming process to link the donors against their donations and hence, trace the money trail.
6. As done for the **last 17 years**, **BSP has remarkably declared again that the party did not receive any donations above Rs 20,000.**

Recommendations

1. The Supreme Court gave a judgment on September 13, 2013 declaring that no part of a candidate's affidavit should be left blank. Similarly, **no part of the Form 24A submitted by political parties providing details of donations above Rs 20,000 should be blank.**
2. All donors who have donated a **minimum of Rs 20,000** as a single or multiple donations should **provide their PAN details.**
3. Full details of all **donors should be made available for public scrutiny under the RTI.** Some countries where this is done include Bhutan, Nepal, Germany, France, Italy, Brazil, Bulgaria, the US and Japan. In none of these countries is it possible for nearly 50% of the source of funds to be unknown, but at present it is so in India.
4. The National parties should, ideally, lead by example by filing complete and correct statements of donations to the ECI well in time for public scrutiny so as to encourage financial transparency.
5. It is suggested that the **ECI publicize on its website details of the action taken (if any) against political parties that fail to provide required details** (such as name, address, PAN and mode of payment) of individuals, companies or entities making donations in cash.
6. **Incomplete contributions reports** having missing or incorrect PAN/mode of payment details must **be returned to the parties** by the ECI, to deter them from providing incomplete information.
7. **The National and Regional political parties must provide all information on their finances under the Right to Information Act.** This will go a long way in strengthening political parties, elections and democracy.
8. **Annual scrutiny** of donations reports of **National, Regional** and **unrecognized parties** should be initiated by a dedicated department of the **CBDT**, to **discourage donations from shell companies or illegal entities.**
