## DISCLAIMER

This report is based on information available on the website of Goa Legislative Assembly and from the RTI responses received from Goa Assembly Secretariat. (<https://www.goavidhansabha.gov.in/>). Association for Democratic Reforms (ADR) and Goa Election Watch (GEW) filed RTI applications to the Goa Assembly Secretariat seeking information about the performance of the MLAs and the Legislative Assembly. This report has been generated from the information received up to March 2021. Whereas from 2017 to 2020, the report covers the complete calendar years; for the year 2021, the report covers data available from January to March 2021. All MLAs and Ministers have been covered in this report however, it is worth noting that the data of those who were or are ministers in the current Assembly is not available on the website for their tenure as a minister. It is a common practice that the Speaker, Deputy Speaker, Chief Minister and other ministers usually do not sign the members' attendance register. Since complete data for such functionaries is not available in the public domain, the same has not been recorded in this report.

**Please note that ADR does not add or subtract any information, unless the Assembly Secretariat changes the data. In particular, no unverified information from any other source is used.** While all efforts have been made to ensure that the information is in keeping with what is available in the Goa Legislative Assembly website, in case of discrepancy between information in this report and that given in the Goa Legislative Assembly website, the information available from Goa Legislative Assembly website should be treated as correct. Association for Democratic Reforms, Goa Election Watch and their volunteers are not responsible or liable for any damage arising directly or indirectly from the publication of this report.
