Introduction

Chapter 1: Introduction

This volume is a collection of reports of Election Watch conducted in all 28 States and 8 Union Territories during the Lok Sabha 2024 elections in India. The Lok Sabha elections were held in the months of April, May and June 2024 in seven phases. Association for Democratic Reforms and National Election Watch, a conglomeration of more than 1200 NGOs across India, launched a nation-wide campaign called 'Mera Vote Mera Desh'. The objective of the campaign was to reduce the influence of crime and money in elections and to promote ethical and informed voting. Details about the 'Mera Vote Mera Desh' campaign are given towards the end of the book.

The Election Watch chapters in each state conducted awareness programs across their state engaging with the voters through the medium of street plays, workshops, seminars, rallies etc. They were also instrumental in the dissemination of data related to the criminal, financial and other background details of the candidates and MPs from the affidavits through timely press releases to the media.

The Election Commission of India (ECI) was prompt in uploading the affidavits of the candidates in each constituency on their website. Orders were given by the ECI to make available affidavits within 24 hours of nomination and the online uploading of the affidavits made the process of accessing them a lot easier. The Election Watch team in Delhi and the respective State Election Watch chapters co-ordinated with the respective Chief Electoral Officers and the ECI throughout the Lok Sabha elections and their response was very helpful.

" The Facebook and Twitter pages of ADR were promoted throughout the campaign to provide updates to young social media friendly voters. There were more than **1,296** new users on the Myneta Facebook page in total and more than **4,149** new twitter followers during the period.

ADR also used the myneta.info website to disseminate information about the contesting candidates directly to the voters. Data about the candidates was uploaded in a true copy of the affidavit that was submitted to the ECI, on the website for each phase and each state.

During this period, the website recorded more than 12 million new users. All consolidated reports for each state and each phase were uploaded on the adrindia.org website. These reports were used as a repository of consolidated data about candidates and MPs for the media and research scholars to study and report upon. There were more than **3,32,000** new users visited to the adrindia.org website during the period **(1st March, 2024 – 30th June, 2024)**.

The media was instrumental in greater dissemination of information in our reports to the general public and as a result of criminalization of politics and money power in elections became a major campaign issue. There were more than **700** newspaper articles about the data released by ADR during the period in national and regional dailies. ADR also collaborated with **Media houses & digital media platform like Amar Ujala, Voke ki Awaaz, TV9, India TV, Ikroya (deKoder), TV Today, Network 18, Times Internet, The Hindu, NDTV, Hindustan Times, and Mathrubhumi** to provide data regarding the contesting candidates for their **digital** and television platforms. ADR and its network partners featured in various debates and discussions on T.V. news channels on a number of issues.

Additionally, the medium of YouTube was used to promote the ADR campaign on ethical voting which became viral through Facebook India page.

$$Chances\ of\ Winning\ for\ Candidates\ with\ Declared\ Criminal\ Records$$

$$= \frac{Winners\ with\ Declared\ Criminal\ Cases}{Candidates\ with\ Declared\ Criminal\ Cases}$$

$$Chances\ of\ Winning\ for\ a\ Candidate\ with\ \ Clean\ Record$$

$$= \frac{Winners\ with\ a\ Clean\ Record}{Candidates\ with\ \ Clean\ Record}$$

The chances of winning for a candidate with criminal cases in the Lok Sabha 2024 elections is 15% whereas for a candidate with a clean record it is 4%.

This chart does not include Dadra & Nagar Haveli and Daman & Diu, as both Union Territories were merged in 2020 to form a single UT, making the figures not comparable with the 2019 data. It also excludes Ladakh, which was separated from Jammu & Kashmir in 2019 to become a separate Union Territory, and therefore its figures are also not comparable with the 2019 data.

Training of citizens on the Model Code of Conduct and the process of filing complaints with the Chief Electoral Officer (CEO) office:

An online training was conducted for citizens to explain "Model Code of Conduct". Total of 56 citizens attended the training. After this training, many citizens were able to register their complaints with the CEO regarding violations. The violations identified were mainly regarding illegal hoardings that were erected across cities and towns, in public gardens, and housing societies.

Analysis of Members of Parliament Local Area Development Scheme (MPLADS) fund utilization:

Gujarat Election Watch carried out an analysis of local area development funds allocated to each MP in the last 5 years. Data was taken from the website and cross-checked with the 'District Planning Officer" at the respective district.

It was observed that none of the MPs utilised 100% of the allocated amount. Due to the COVID pandemic, funds for 1.5 years were cut down, thus the allocation was only 17 crore each.

This report was released on 30th March 2024 from Ahmedabad for English and Gujarati print media as well as for electronic media, and it was widely covered.

When nominations were filed for the Lok Sabha Elections 2024, the media referenced this report to create performance profiles of the existing MPs, especially if they were re-contesting candidates.

Advocacy Efforts with CEO

1. To monitor the publishing of C7, C1, and C2 forms in regional language in vernacular newspapers as required by guidelines issued by ECI in accordance with the Supreme Court judgement.
2. Issue a reminder letter regarding the C3 format when the candidates do not publish the record as required by the guidelines.
3. Publish the date of submission of expenditure by candidate and advertise that citizens can also observe the expenditure statement of the candidates
4. To facilitate transport for nomadic and de-notified tribal communities migrating to the Little Rann of Kutch.
5. To get details of the private company Rapido for transportation in the Cities.

Gujarat Election Watch also filed several RTIs to get details of notices issued to candidates for not publishing their criminal background as needed, or for not submitting the expenditure reports, etc.

RTIs and complaints filed for violation of the code of conduct

The Gujarat Election Watch filed complaint via email, C-VIGIL, and wrote to the ECI and to CEO of Gujarat. They followed it with RTI, to which they received the reply that the matter pertained to the CEO of Gujarat, and thus, RTI was transferred to the CEO Gujarat office. However, the CEO Gujarat office replied that action would be taken by ECI and a copy of the report sent to ECI on 6th May 2024, where in CEO has asked ECI to take actions against the violation was given as proof.

West Bengal Election Watch

About Us

Chapter 11: About Us

A group of Professors from Indian Institute of Management, Ahmedabad set up Association for Democratic Reforms in August 1999. They filed a Public Interest Litigation in Delhi High Court in 1999 asking for disclosure of criminal, financial and educational background of candidates contesting elections. Based on this, the Supreme Court in 2002 and subsequently in 2003 made background disclosure mandatory for candidates to disclose in their affidavits criminal, financial and educational background to be submitted to the Election Commission of India.

ADR has been conducting Election Watches since 2002. The first election watch was conducted by ADR in 2002 for Gujarat Assembly Elections whereby detailed analysis of the backgrounds of candidates contesting elections was provided to help the electorate make an informed choice during polls. Since then ADR has conducted Election Watches for almost all state and parliament elections in collaboration with the National Election Watch. There is now an Election Watch chapter present in each state in the country working as a part of National Election Watch.

ADR along with the NEW has also increased its efforts towards increasing transparency and accountability in the functioning of political parties. After a Central Information Commission (CIC)'s order in 2008, it started analyzing and disseminating information on the Income Tax Returns and Donation details of political parties. In 2013, based on a complaint filed by ADR and Shri Subhash Agarwal, the CIC declared 6 national parties as 'public authority' under the Right to Information Act.

As a part of the same effort, ADR has also increased its engagement with political parties with the objective of garnering their support in reforming the political system.

Strategic litigation is another tool employed by ADR to push for required reforms in the political and electoral system. ADR has intervened as well as filed several PILs, some of which have resulted in landmark judgments.

About Prof. Jagdeep S. Chhokar

Prof Jagdeep S. Chhokar, aged 81 years, one of the founding members of the Association for Democratic Reforms (ADR), passed away at 4 AM on 12th September 2025 in New Delhi, leaving behind an enduring legacy of integrity and courage. A respected academic, civic activist, lawyer, engineer, and conservationist, Prof Chhokar's life was distinguished by his commitment to strengthening democratic governance and promoting transparency in Indian public life. There was an overwhelming outpouring of grief across the nation on his demise.

To those who knew him, he was more than an advocate for clean politics; he was a generous mentor, an incisive thinker, and a warm friend. He was a fearless and honest lone but the loudest voice in the room. Colleagues, students, and those who worked alongside him remember him as patient yet persistent, principled, and relentlessly committed to public accountability.

Prof Jagdeep Chhokar's vision reshaped the way India thinks about elections and accountability. His absence leaves a void, but his example will continue to inspire all who strive for a stronger and more vibrant democracy.

All his life, he worked for the upliftment of people, and even in his death, he did the same by donating his body to Lady Hardinge Medical College.

He will be deeply missed by his family, his students, his colleagues at ADR, and the many citizens who benefitted from his decades of work. May his efforts continue to bear fruit in the public life of the nation.

His work will continue to inspire the ADR team to work harder towards the realisation of the goals of ADR.
