Table: Details of Attendance and Questions asked by MPs

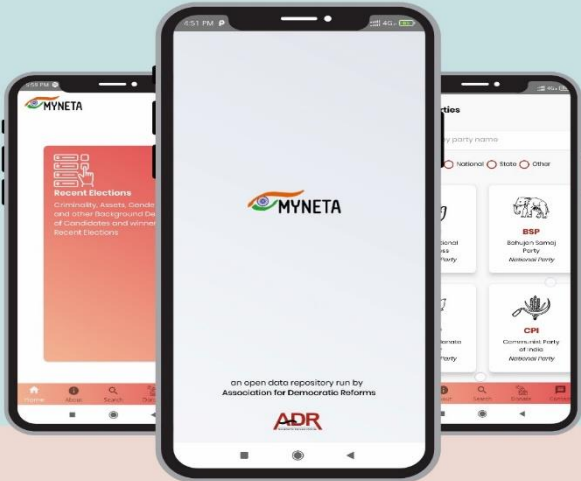

*All MPs and Ministers have been covered in this report however, it is worth noting that the data of those who were or are ministers in the current Lok Sabha is not available on the website for their tenure as a minister. It is a common practice that the ministers, leader of opposition, officer of parliament and Prime minister usually do not sign the members' attendance register. Since complete data for such functionaries is not available in the public domain, the same has not been recorded in this report.
