- b. The National and Regional Parties should, ideally, **lead by example** by filing **complete and correct statements** of donations to the ECI **well in time** for public scrutiny so as to encourage financial transparency.
- c. It is suggested that the ECI **publicizes on its website details of the action taken (if any) against political parties that fail to provide required details** (such as name and address) of individuals, companies or entities making donations in cash.
- d. Parties **not adhering** to the deadline fixed by the Election Commission of India should be **penalized** by making them **liable to pay tax on 100% of their income** from various sources.
- e. **Incomplete contributions reports** having missing or incorrect PAN/mode of payment details must **be returned to the parties** by the ECI, to deter them from providing incomplete information.
- f. **The National and Regional political parties must provide all information on their finances under the Right to Information Act**. This will go a long way in strengthening political parties, elections and democracy.
